Monthly Report- Street Department October 2017

Road Projects

- Whitestown Parkway paving is being finished by Grady Bros. Striping and reflectors should be done within the next week.
- Crack sealing will start in October.

Other Street Department Projects:

- The mosquito treatment will be finishing in October due to temperatures dropping below 60 degrees at night time.
- 400 tons of salt was added to our salt barn in preparation for winter. There is now approximately 600-700 tons of salt available in the salt barn.
- Backhoe has been purchased- Thank you!
- Whitestown Beautification Project will begin in October.
